COVID-19 Activity in Parks and Recreation

Being outdoors can help maintain your physical and mental health. Parks are still open to the public. Public playgrounds and other areas may be closed.

If the park is full, choose a different park or return at a less busy time.

For your safety, please do not park in undesignated areas if the parking lot is full.

Do not touch benches, rails, exercise equipment, playground equipment, picnic tables, and porta-potties.

Avoid games and activities that require close contact, such as basketball, football, or soccer.

Do not share or rent publicly available equipment, such as bicycles, scooters, helmets, balls, or frisbees.

Avoid games and activities that require close contact, such as basketball, football, or soccer.

Do not drink or refill your water bottle using public water fountains.

Keep at least 6 ft of distance between yourself and others you do not live with.

6 ft
