**Harris County Public Health & Environmental Services (HCPHES)  
Partners with Jersey Village High School on Food Safety Project**

***September 30, 2014 - Award Ceremony***

**What:** Award Ceremony presented by Harris County Public Health & Environmental Services (HCPHES) Environmental Public Health (EPH) to Jersey Village High School (Cy-Fair ISD) in gratitude of public health videos development

**When:** Tuesday, September 30, 2014  
3:00pm - 4:00pm Speakers and Award Ceremony

**Where:** Jersey Village High School – JTV Studio Room #1588  
7600 Solomon, Houston, TX 77040

**Who:** Speakers include:

- **Dr. Umair A. Shah**, Executive Director, HCPHES
- **Michael Schaffer**, Director, HCPHES Environmental Public Health
- **Cynthia Stoker**, Jersey Village HS, Fine Arts Department Chair

**Why:** HCPHES Environmental Public Health partnered with Jersey Village High School to develop 27 short critical food violation safety videos. The videos created with Jersey Village High School's excellent technology will enhance HCPHES' educational sessions for Food Safety Managers in Harris County. This new tool will allow Food Safety Managers to better understand and adhere to the safe food practices required by the Texas Food Establishment Rules.

As a token of appreciation, HCPHES will present an award to the talented Fine Arts Department teacher, Cynthia Stoker, and students at Jersey Village High School. This experience has given students a glance into public health best practices and will help HCPHES keep Harris County a healthy community.
