## Meaningful Use Stage 2 Reporting Requirement

Meaningful Use regulations require eligible professionals and hospitals to use the transport technologies specified by their public health agency for submitting public health data electronically.

For more information on the Commission on Medicaid/Medicare Services Electronic Health Record Incentive Programs, please visit their website at <https://www.cms.gov/Regulations-and-Guidance/Legislation/EHRIncentivePrograms/index.html>.

**Please note:** HCPH is not able to accept submissions of Meaningful Use data at this time.
