Protect Your Family from Lead

Many homes built before 1978 contain lead-based paint which can cause serious health hazards if not taken care of properly.

Schedule a FREE Lead Inspection TODAY!

Contact HCPH Lead Hazard Control Program at 713-274-6374 or

complete the form below and mail to:

HCPH - Lead Hazard Control Program

101 South Richey, Suite G, Pasadena, TX 77506

If you qualify, removal of lead in your home will take place at **no cost** to you.
