ARE YOU RAISING MOSQUITOES IN YOUR YARD?
Help prevent mosquito borne diseases such as West Nile Virus, St Louis Encephalitis, Zika, Dengue and Chikungunya

- Clear rain gutters.
- Keep tight fitting screens on doors and windows.
- Properly maintain swimming pools, wading pools and spas.
- Stock ponds with mosquito-eating fish.
- Cover your boat or store in a covered place.
- Avoid over-watering plants and lawns.
- Don’t feed the storm drain! Sweep up lawn clippings, leaves and trash from sidewalks.
- Change bird bath water weekly.
- Repair leaking faucets.
- Eliminate standing water from tires, pet bowls, buckets, etc.
- Weather permitting, wear long sleeves, long pants and socks.

**FIGHT BACK!**
Use an EPA-registered insect repellent when outdoors.

**Birds can carry West Nile virus & Saint Louis Encephalitis. Report dead birds to:** (713) 440-3036
